**Tiburón Martillo Muelle Ecoturístico
"Ecotouristic Dock Hammerhead Shark"**

When flying to the Galapagos Islands, all travelers must pay a TCT (migration control transit card) fee of \$20 USD cash only at the airport in either Quito UIO or Guayaquil GYE, Ecuador prior to checking in for their flight to the islands.

Upon arrival in the Galapagos Islands, all travelers must pay the Galapagos National Park entrance fee of \$100 USD cash only. The fee for nationals of one of the Andean Community of Nations or Mercosur is \$50.00 per person. This is paid just after going through Customs at the airport, after arriving in the islands.

The country of Ecuador uses the US Dollar. Starting June 1, 2021 large denominations of USD currency including \$50 and \$100 bills are not accepted for payment at shops and restaurants in the Galapagos, including the airports. For incidental purchases, we recommend guests bring \$1, \$5 and \$10 bills as change is not always readily available.

Taxi rides to the dock will be less than \$5 USD cash only.
Taxis in Galapagos do not take credit cards.
